Speaking Your Truth:

Escaping the Shadow of Domestic Violence

Carine McCandless, author of *New York Times* bestseller *The Wild Truth* and Annette McGivney, author of National Outdoor Book award-winner *Pure Land*, both grew up in turbulent households. It took each of them decades to come to terms with the past and find the courage to be honest and open about the toll domestic violence had on them and their families. Join us for a presentation about their journeys and the healing power of the truth.
